

SPONSORSHIP PROGRAM

Since 1983, Haven House has been providing temporary emergency shelter and supportive services to survivors of domestic violence and their children from Hammond, Gary, East Chicago, Whiting, and other areas in Northwest Indiana. All services offered to residents - including temporary emergency shelter, supportive services, food, hygiene supplies, cleaning supplies, and essentials for daily living - are confidential and provided at no cost to clients. Additionally, we support individuals who are victims of sexual assault and sex trafficking, and we recognize that domestic violence can encompass emotional, mental, and financial abuse, as well as physical abuse.

Haven House is one of four domestic violence shelters in Northwest Indiana, and the only domestic violence shelter in the northern part of Lake County.

Over the last 10 years, services have been provided to more than 1,700 survivors and their children.

Your sponsorship allows Haven House to continue our mission of providing safe, temporary emergency shelter to domestic violence survivors and their children while also providing supportive service and life skills groups to empower the survivor to become self sufficient and independent away from their abuser.
